**ORDER:**

In the reference 3<sup>rd</sup> read above, the Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has stated that the Standing Committee, GHMC vide Resolution No 254 Dated: 09.01.2013, has accorded permission to bear the expenditure to an extent of Rs 338.83 Crores from Greater Hyderabad Municipal Corporation, funds towards execution of 15 works in the event of Government of India do not release amount under the 13<sup>th</sup> Finance Commission pending approval of the Corporation and also requested to accord administrative sanction for an amount of Rs 338.83 Crores from Greater Hyderabad Municipal Corporation, funds for the years 2012-13, 2013-14 and 2014-15 and also accord permission to call for tenders towards execution of 15 works in the event of Govt of India do not release the amount under 13<sup>th</sup> Finance Commission, so as to spend the targeted amount year wise in view of difficulties in execution of nala works in urban areas.

2. In the reference 4<sup>th</sup> read above, the Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has stated that a provision of Rs. 71.20 Crores has been made under the Head of Account 4120051 for Major Storm Water drains and Rs. 41.00 Crores under the Head of Account 4120052 for improvement of Minor Storm Water drains in the Greater Hyderabad Municipal Corporation Budget for the year 2013-14, and he has further informed that, the Govt. vide G.O.Ms.No.01 Fin (W&P) Dept., dated: 25.2.2012 issued following instructions.

“The departments should follow the general thumb rule that for capital works and maintenance works the work load should not be more than 200% and 150% respectively of the budget provision which will ensure adequate allocation of budget provision for works in progress and their prompt completion”

3. The Commissioner, Greater Hyderabad Municipal Corporation, Hyderabad has also submitted that, in order to carry out the works in a comprehensive manner and also keeping in view the past experience in execution of storm water drains in Urban areas, it is proposed to call for tenders for the total amount proposed for each nala for three years i.e., 2012-15, so as to spend the targeted amount year wise, since the progress of nala works mainly depends on the availability of free stretches. It is seen that, the progress of construction of SW Drains in Urban areas is slow due to land acquisition problems, encroachment removal and rehabilitation and sewerage flowing in SW Drain round the year. Unless they take up 3 to 4 times of work plan, it will be difficult to show expenditure.

4. Therefore, the Commissioner, Greater Hyderabad Municipal Corporation, has requested the Government to accord administrative sanction for an amount of Rs 338.83 Crores for the years 2012-13, 2013-14 and 2014-15 with a permission to take up Land Acquisition/Clearance of encroachments etc., and construction activity simultaneously duly relaxing G.O.Ms.No. 94, dated: 1.7.2003 and G.O.Ms.No.01, dt. 25.2.2012 and also accord permission to call for tenders towards execution of 15 works in the event of Govt of India, not releasing funds under 13<sup>th</sup> Finance Commission, so as to spend the targeted amount year wise in view of difficulties in execution of nala works in Urban areas.
